Sir,

In their Order cited above Government sanctioned an expenditure of Rs.90/- (Rupees Ninety only) for the current year for the conveyance of the Kanarese students in the Government Training School for women, Bellary to the London Mission Kanarese Girls' School, Bellary, for practising purposes. Till the third week of August 1947 senior students alone were taken to the latter school, but from the last week of August 1947 five junior students with one teacher were also taken to that school for practising purposes. Consequently the number of jutkas engaged for the purpose had to be increased to five. The expenditure required on this account upto the last week

P.T.O.

of February 1948 is reported to be Rs. 111/-. In the circumstances I request that Government may kindly sanction an additional expenditure of Rs. 21/-(Rs. 111/- minus Rs. 90/-) = Rs. 21/-) during the current year on the provision of conveyance for the Kanarese students for practising purposes. As the financial year is coming to its end I am permitting the Inspectress to incur the additional expenditure in anticipation of the sanction of Government.
